

## **Environmental Policy Statement**

Matsu Manufacturing Inc. is fully committed to the protection of the environment in compliance with current environmental obligations.

### **Our key commitments are to:**

- Strive to ensure that all associates, contractors, customers and members of the public are aware of the environmental impacts of our business and understand how we can work together in order to meet the needs of our business in a safe and sustainable manner.
- Encourage continual improvement of the environmental management system to enhance environmental performance.
- Ensure that associates and other stakeholders are made aware of their individual responsibilities contained within our EMS by effective communication.
- Plan to achieve our environmental objectives.
- Meet or exceed all relevant legislative and regulatory requirements and agreements.

The Environmental Management System (EMS) operated within Matsu Manufacturing Inc. is designed to support these commitments and comply with the requirements of ISO 14001:2015.
